All of us in the Child Nutrition Services Department hope everyone had a fun and restful summer!

Again this fall, Lincoln Unified school cafeterias are meeting State & Federal nutrition standards for school meals, ensuring that our meals are healthy and well-balanced and provide students the nutrition they need to succeed in school. Now is a great time to encourage your children to choose school breakfast and lunch!

School meals offer students milk, fruits, vegetables, proteins and grains. They must meet strict limits on saturated fat, sodium and calories. In school year 2017-2018, school breakfast & lunch will continue to meet standards requiring:

- \* Age appropriate calorie limits
- \* Fat-free or 1% milk (flavored milk must be fat-free)
- \* A wide variety of fruits and vegetables
- \* Whole grain products

As we continue to implement State & Federal meal regulations, students are still required to select at least a 1/2 cup serving of fruit and/or vegetable with both their breakfast & lunch meals.

As food costs continue to rise, it is necessary for us to increase our full-price meals to \$3.00 this school year for our Sierra Middle School and Lincoln High School students. This increase will help us to continue to bring new delicious and nutritious entrees, fruits and vegetables to our students.
